Keeping Loring staff, patients and families safe is critical during these unprecedented times. Though the hospital currently has an adequate supply of masks and other personal protective equipment, we continue to be proactive in addressing the possibility of future supply challenges due to COVID-19. We are overwhelmed with gratitude for those who have donated PPE.

Loring Hospital is currently accepting PPE donations, including the following items:

- Disposable gloves
- Surgical masks
- Homemade masks
- N95 masks
- Face shields
- Splash shields
- Gowns
- Safety goggles

Please mail your donations to the following address:
